	NOTES:	

Pitman (barracks) is on the opposite side of the campus as the football stadium, It is a ten minute walk from Pitman to the stadium. Consider taking the things you will need all day and putting them in a small backpack. A scooter could also be helpful for travel.

Plan ahead with the schedule. Avoid being late by leaving with plenty of time to walk from one place to another. Leave some margin. Let's make it a goal to start each block on time.

The Dining Hall is adjacent to the Football Stadium near Lund. Gustavus has been voted 'top 10 campus food' multiple times in a nation wide survey by the Princeton Review.

Everybody showers! Keep good hygiene during camp. Bring and use toiletries (soap, toothbrush, deodorant). You owe it to your fellow band mates. Your body will need 8 hours of rest to recover from a marathon day. Remove stimuli from your sleeping environment. Bring a box fan to keep your room cool as there is no AC.

Masks are not required indoors or outdoors. They are encouraged but not required for those who are not fully vaccinated. Pods of 60 or less when inside with 6ft between pods. Dining room will be 3 people per table, and labelled for us. Do not move tables or chairs.

There is a gift shop at Gustavus where you can purchase merch if desired.

This schedule is subject to change

When we get back Thursday night, we need everyone's help unloading, many hands make props....lighter.

Don't lose your key... they cost \$75 to replace...

We are guests at Gustavus, please behave with decorum and respect.

THURSDAY NIGHT - 7/29: Ice slushies and merch reveal!
