

ATTENTION ALL SERVICE TEAM APPLICANTS

Service Team applicants, thank you SO MUCH for putting the work and effort into submitting an application. That in itself speaks to your commitment to the EVMB. It is not a quick project and it requires you to push to learn new things about yourself and get out of your comfort zone. Something that all good leaders have to do. I enjoy being able to learn about your life outside of marching band through your resume, your thoughts about leadership through the interview questions, and your heart for others through your service project. And then there are the DAZZLES! What can I say here. So creativity and musicality to go around. I hope you take the time to watch and enjoy your peers' submissions. There is so much to be learned and gained from your peers perspective and it is a great way to hit the ground running on getting to know the other students in the band better . With that, I have some Dundies to give out so here we go:

- **Best Facial Growth:** Raghav
- **Flossy Dickie Award:** Cole Kalaus
- **Best Resume:** Izzy Bui - could only fit her very favorite volunteer work from the past year
- **Most Creative way of bringing everyone together:** Kaitlyn Mohr
- **Picasso Award:** So many great pieces of artwork, chalk, tapestry, photography, book making, sewing, origami and more that really shocked me. Olivia's painting of WWK @ YIM finals was amazing but kudos to all!!
- **Most unexpected wisdom in their interview:** Raghav
- **Shout outs:**
 - To all the service projects that were done to help our community during this tough time.
 - To Brenda's tutorial and others like it that will make life easier for incoming members
 - To all of you for showcasing your personality and making me laugh, smile, and almost cry. Almost. You guys are incredible and this process is such a testament to what kind of people you are and will continue to be. I'm so very happy to have you all as my students. Truly!

Personalized feedback based on your application will be headed your way via a Schoology message soon so please check that out when you get the chance.

LOOKING AHEAD

Well.... At this time we are in wait and see mode. I will put together a Schoology group with all the members so we can stay in communication with each other over the summer.

*Be well,
Mr. G*
